Circular to Pensioners resident in Zimbabwe

Dear Sir/Madam

PAYMENT OF MONTHLY PENSION

Following the completion of the Actuarial Valuation exercise on the conversion of pensions in payment to United States dollars as at 31 March 2009 on 30 June 2009, the Fund is pleased to advise that the payment of pensions will resume at the end of July 2009. The pensions payable will be back-dated to 1 April 2009. This means that the amount payable at the end of July will be the pension for the four (4) months, April 2009 to July 2009. Thereafter, a monthly pension will be payable by the 25th of every month.

Pensions will be paid to those pensioners who have submitted Certificates of Existence for 2008 and who have provided us with their US dollar Foreign Currency Account (FCA) details. **If you have not submitted either or both of the above, it is in your interest to do so as a matter of urgency.**
