INTRODUCTION

The Mining Industry Pension Fund has partnered with FBC MicroPlan, a subsidiary of FBC Holdings, to provide micro loans to support pensioners that want to venture into small income generating projects or to expand existing income generating ventures. The micro loans are meant to augment pension income for our pensioners.

Each pensioner can access up to USD300. Pensioners are also encouraged to apply in groups from two (2) up to a maximum of ten (10) for the same or a variety of projects.

GENERAL TERMS AND CONDITIONS

- ▶ The loans are only available to MIPF pensioners and beneficiaries receiving a monthly pension from the Fund.
- ▶ Loans are accessible through FBC MicroPlan branches nationwide.
- ▶ Repayments shall be made from the projects' revenues
- ▶ Pensioners may apply individually.
- ▶ Loan applications can also be for groups of up to a maximum of ten (10) pensioners.
- ▶ Pensioners in a group can engage in the same or different projects.
- ▶ Penalties may apply for late payment of loan.
- ▶ All applications to be accompanied by Pensioner's National Identity Document
- ▶ MIPF shall issue pensioners with confirmation letters to MicroPlan confirming that the applicants qualify for the loans.
